REPORT OF THE COMMITTEE ON THE FRATERNAL DEAD AND MEMORIAL SERVICE

Opening Prayer: Most Sovereign and Supreme Lord, we remember before You this day our Companions who have completed in faith their work in the quarry and now are at rest and dwell with You in the Holy and Eternal Temple. We remember before you, the Almighty, the labour of their hands and the sharing of their skills with us. Into Your gracious keeping we now commend them.

We pray to Thee, O Holy One, that we may follow the good examples they have set before us and that when our work on this earthly dwelling is complete that we also be granted a place in Your heavenly kingdom. Finally we continue to offer to You our praise and obedience with thankful hearts for Your many blessings poured out upon us in abundance. Amen - So Mote It Be

Psalm 27 - verses 1-4 1-The Lord is my light and my salvation--whom shall I fear? The Lord is the stronghold of my life--of whom shall I be afraid? 2-When evil men advance against me to devour my flesh, when my enemies and my foes attack me, they will stumble and fall. 3-Though an army besiege me, my heart will not fear; though war break out against me, even then will I be confident. 4-One thing I ask of the Lord, this is what I seek: that I may dwell in the house of the Lord all the days of my life, to gaze upon the beauty of the Lord and to seek him in his temple.

These are the words of King David, the father of King Solomon of Israel who is acknowledged as the First Grand Principal. In this brief passage and throughout the many volumes of the Sacred Law we are reminded of the presence and importance of the Light of the Supreme Being in our lives. We are continually admonished to move from darkness to light. In the very beginning, the first act of creation was divined by the Lord with - "Let there be light".

In the light of understanding Joseph says to the Ruler of Egypt - God has shown Pharaoh what he is about to do. Seven years of great abundance are coming throughout the land of Egypt but seven years of famine will follow them. All of us are familiar with the message of the Exodus - By day the Lord went ahead of them in a pillar of cloud to guide them on their way and by night in a pillar of fire to give them light. In Isaiah we hear: "I will make you a light for the Gentiles, that you may bring my salvation to the ends of the earth".

It is, therefore, not surprising that light is also important and central to all our ritual from beginning to end. We work diligently to kindle the light of brotherly love, relief and truth in ourselves and in our fellow companions. It is this pursuit that has guided these who carried the torch of Royal Arch Masonry before us and in lighting the path for us have illumined the way for all. It is, therefore, fitting that we should acknowledge and celebrate the light of those companions who are no longer in our midst. As a symbolic reflection of their lives and light we will ignite a small vigil lamp that will remain glowing day and night throughout the term of this convocation.

"Warning about Darkness" - Lights out. - Lamp lit - moment of silence - reflect At the base of the lamp is a listing of those companions whose light has gone to shine in the Almighty's Holy Temple. Take time during a break in the proceedings to scan this list and know and acknowledge that their names are bright in the annals of their Chapters and R.A.M. in general.

As Royal Arch Masons we commemorate those companions who are no longer with us through death and we note particularly the loss of Most Excellent Companion G. Robert Jackson and Most Excellent Companion Melvin Sheldon Boomhour.

The personal side of G. Robert Jackson - known by his many friends and Associates as "Bob" - create a great measure of warmth and complimentary attributes....to his family and his many friends, described him as a loving and devoted husband, son-in-law, father, father-in-law, brother, brother-in-law, grandfather, fisherman, hunter, friend, and co-worker.

He enjoyed the complete respect and love that his family gave him - so well deserved - but whenever a family member met one of his many friends, the first question was invariably - How is Bob? What more of a tribute can anyone ask than to be thought about and respected by the general community.

He strongly encouraged his family to obtain a solid education, realizing how critically important that would be in their future. As Grand First Principal of the Grand Chapter of Royal Arch Masons of Canada, in the Province of Ontario, he strongly encouraged the companions to donate to the Royal Arch Bursary Fund, so that students without strong financial resources could get much needed additional financial assistance. He was highly instrumental in giving a great measure of support to that vitally important project, and it has grown considerably since. There were 68 bursaries handed out last year at a total of \$24,000 to deserving students. He had a vast collection of Masonic books which he spent a great deal of time reading and studying before his health deteriorated. I am well aware that his physical presence will be sorely missed by his family -- his wisdom, love, and dedication with each and everyone allowed them to feel very special and unique.

Our past beloved Grand First Principal was proud of his masonic affiliations and accepted them with dedication to their needs and requests - but nothing in his career could have been more exciting or of greater satisfaction than the day that he installed his son, Richard Jackson as Master of St. David's Lodge No. 302 in 1983 and as First Principal of Palestine Chapter No. 54 in 1981 and as Grand First Principal in 2004. We are all so very pleased and feel a part of the great joy and satisfaction that this special activity awarded our late leader in Royal Arch Masonry, Most Ex. Sir !!!

Masonry and its affiliations are very much a part of the Jackson family. Robert was presiding preceptor of Burleigh Preceptory No. 21 in 1984. Mrs. Dorothy Jackson is a past Matron of Maple Leaf Chapter, past D.D.G.M. of District No. 4 and past Grand Representative to New Mexico. Richard's youngest daughter is also a member of The Order of the Eastern Star. A family dedicated to a Masonic way of life.

*"If he could speak I know he'd say
Weep Not for me, my friends, I Pray:*

*It's just farewell, and not goodbye
For naught can break our mystic tie.
If death were but the bitter end
And all our efforts just pretend,*

*Then we'd have nothing more to gain
We'd all have lived our life in vain.*

*The symbol of the evergreen
which we as masons, all have seen
gives proof that life can never end..
So travel on, our faithful friend..."*

Rest in peace Most Excellent Sir and faithful friend.

Respectfully submitted Leslie Levitt, P.G.Z.

Most Excellent Companion G. Robert Jackson

IN MEMORIAM
MOST EXCELLENT COMPANION M. SHELDON BOOMHOUR
Most Excellent Grand First Principal
2002 - 2004

Blessed are they that mourn, for they shall be comforted. The souls of the righteous are in the hand of God, and there shall no torment touch them for they are in peace.

Melvin Sheldon Boomhour was born on May 10th, 1940, in Napanee, Ontario. He was the only child of Alice and Melvin Boomhour and was educated in the Napanee Board of Education public and secondary schools. He married Lorraine Kirk in 1962 and had two children, Michael and Catherine and four grandchildren. He married Susan Hurn in 1988 and was a member of the United Church of Canada.

Totten, Sims, Hubicki and Associates employed him as a Survey Technician in 1964 and then in 1971 began work for the Ministry of Transportation of Ontario from which retired in 1986.

He was Initiated in Lorne Lodge No. 404 in Tamworth in 1971 and served as its Worshipful Master 1978 to 1980 and was a member of this Lodge at his death. He also served as Worshipful Master of Cathedral Lodge No. 642 in Toronto in 1985 and was appointed Grand Tyler in 1986. He was a member of the Toronto Lodge of Perfection and Rose Croix as well as Moore Sovereign Consistory 32 Degree in 1977. He was exalted in Peel Chapter No. 95 in Brampton in 1978 and became a Life Member of Brampton Chapter U.D. in 1980. He served as First principal of Brampton Chapter No. 165 in 1982, a member of Toronto Antiquity Chapter No. 91 in Toronto where he served as First Principal in 1986. He was an Honourary Member of Occident Chapter No. 77 in Mississauga and served as Grand Superintendent of Toronto District 8a in 1993. He was appointed to the Grand Executive Committee of Grand Chapter in 1996, elected Grand Third Principal in 1998, elected Grand Second Principal in 2000 and elected Grand First Principal in 2002.

Right Excellent Companion Melvyn Duke, who conducted the funeral service for Sheldon, remarked that Sheldon was a diamond, "sometimes a diamond in the rough, but always precious, with almost limitless sides, certainly different to each and every one of us." I agree whole-heartedly with this statement, as Sheldon did have many sides, some of which not all of us were aware.

I first met Sheldon in April 1993 at Grand Chapter when we both served as Grand Superintendent when my father, Most Excellent Companion G. Robert Jackson, was Grand First Principal. I have had the opportunity to become good friends with Sheldon and he encouraged me to submit my name for Grand Third Principal after he was elected to that office. Sheldon was always concerned about the health of everyone he met and when he asked how you were he really was interested. It wasn't just a greeting as so many people use when they meet, to Sheldon it was important to know how an individual really felt. He had an uncanny ability to "witch" for water and could use a coat hanger or a piece of a tree and was always willing to show someone how to master this art.

Most Excellent Companion Melvin Sheldon Boomhour

If you ever had the opportunity to ride with Sheldon on a trip, his knowledge of the countryside was amazing and it wasn't done in an attempt to show off, it was a way of drawing out an individual and finding out their interests. When his term as Grand First Principal ended, he retired to the family trailer outside of Peterborough where he resumed his passion for fishing and painting. No, he didn't paint buildings; he painted pictures and not the paint by number type. It was a way for him to relax and unwind and enjoy the peaceful solitude of the Kawartha's. He loved to spend an evening at home with his feet up or take in a hockey game as a follower of the Brampton Battalion. He remembered fondly the times he had enjoyed as a baseball umpire and most importantly to him his passion for Freemasonry. He was a lover of music and enjoyed reading and even listening to books on tape while he was painting. Yes, Sheldon was a man with many facets, sometimes rough, sometimes smooth but always true to everyone he met.

I believe this poem says it all.

I am the balm that softens all life's scars,
The heights, the depths, the anguish and the stars,
Into my cooling dark your minutes cast,
I am the temple of the living past.

I am the days you joyed, the days you wept,
In my vast vault of silence safely kept,
I am your laughter; I, your sobbing cry,
The echo of a voice that cannot die.

I am the link that bridges night and dawn,
I am the soul that lives when all is gone,
The Yesterday, where this Today shall dwell,
I am your life, your death, your heaven, your hell.

I am Memory.

I end this tribute to our departed friend with the following passage of Scripture; *I am the resurrection and the life, saith the Lord; he that believeth in Me, though he were dead, yet shall he live: and whosoever liveth and believeth in Me shall never die.* So mote it be.

Respectfully and fraternally submitted Richard J Jackson, G.Z.

Along with these two illustrious Grand Chapter officers there are others that each individual Royal Arch Mason can hold dear in his memory. We commend them into God's gracious keeping.

Grand and Great Architect and Geometricians of the Universe, we offer our heartfelt thanks for the lives of the Companions we commemorate this day. We celebrate the light they brought into your created world. Grant to them eternal rest and may your light shine perpetually upon them. May the souls of all our departed companions rest in peace and may all our lives be so touched by thy grace that we may sparkle as the stars of heaven for ever and ever. Amen. So mote it be.

M.Ex.Comp. Jackson called upon M.W.Bro. Donald H Mumby to bring greetings from The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

GRAND MASTER'S REMARKS

Most Excellent Companion Richard Jackson Grand First Principal, the Most Excellent Past Grand First Principals, Distinguished East Companions and my Brethren in the name of the Most Worshipful the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario. I thank you most excellent sir for many things. First for your kind invitation to attend this session today. Secondly, for the friendship that you have afforded me and provided me in the years that we have known one another. I am very grateful for the cooperation that you have extended, for the opportunity to discuss areas of mutual concern with you and for the free and easy manner with which you are so open with your advice and assistance. I am indeed very grateful and I wish you nothing but the best of luck for the years to come.

This morning my brethren, Marion and I were up a little early to watch the events on television. As the world bade farewell to a great man. He was a man of great faith and a man who was known throughout the world. One of the things that came through loud and clear in the words that were being given to us in English was that Pope John Paul the Second had tried very hard to make a mark upon humanity. But you don't have to be great, you don't have to be in a world position to make that mark upon humanity. We as free masons are blessed with an order that is founded upon three very simple and easy tenets. They are simple to say. Indeed the words brotherly love, relief and truth flow off the tongue as water over the rocks in the stream. But those words are a little bit more difficult to live on a 24 hour a day, 7 day a week, 365 days a year basis. And yet my brethren if we live them, if we truly follow them, we will make a difference. You don't have to be great and you don't have to be powerful but you do have to be committed. You see Masonry whether it's the Craft Lodge, or whether it's Royal Arch Masonry or any of the other bodies of Masonry require commitment.

I'm speaking to the converted here because you are here. Our job is to get out and make that same commitment in the rest of the people that have joined this Fraternity but use it for their own purposes and when it suits their parade of time. During the course of the past two years I have often said and I will reiterate it - that above everything else Masonry is a moral organization. Often times people want to downgrade or perhaps denigrate that morality. Never let it happen, because that is the very basis upon which we do. If each of us practice that thing called brotherly love and to make it very simple, it's following the Christian ethic of doing unto others as you would have them do unto you.

I said Christian ethic but, I find it so interesting that those same words, that same admonition is contained within every scriptural book of every religion in the world. Yes the words might change but the meaning remains the same. You treat one another with the respect and dignity that you expect to be treated with. And if we do that, if we truly practice that brotherly love, then the other two - relief and truth naturally follow because if you act as a brother you will not see anybody in need and if you act as a true brother you will always be honest with yourself and with others.

Two years ago when I first appeared before here I made statements along similar lines. A short while ago I received a personal letter from a friend - one that I shared with my wife and one that has meant perhaps more to me than anything I have received since I have been in Free Masonry because the man told a very simple story of how he and a Companion have tried to overcome manmade obstacles and have indeed done that and formed a true and lasting friendship and I have revelled in that letter for so long because it pointed out what it is that Masonry is all about and that is friendship, fellowship and the opportunity and the ability to make a change. If you each follow the fundamental principles of our order not just when it suits your purpose, but every day, you will make a change. It need not be world shattering but you will make a change in those who are nearest and dearest to you. And as they notice the change then perhaps they will reflect that change to their own life and it will spread like that smile that is given on the street that passes from person to person until it covers the world.

We have a great organization and we have an organization that is strong and stable. I go against the nay sayers who say that we are on a downward slope. In January of this year I kept a very accurate count of the 610 summonses that arrive in my mail every day and in twenty days of summonses free masonry in Ontario either initiated or received applications from initiations from 299 men. The vast majority of those were under the age of 40 years. The trend went down a little bit in February and picked back up again in March. So far in April it has been very strong. That is not an organization that is going down hill, but while we bring these young people in our problem is to keep them and that's where you come in. We have to remember that if we are to survive, that we are to continue, then we must allow these young men who are joining to have a say and assume a leadership role.

My brethren it has been such a pleasure being with you. This afternoon I will have to make my apologies as I have other functions to be attended to and I will be turning over that nice soft seat to the Deputy Grand Master and he will represent me and the Grand Lodge of Canada for the rest of these proceedings. I know that you will afford him the same respect and dignity you have always afforded me. And as I am kinda on the slippery slope on the way out the door with two months to go and I can see some of the guys say boy is it that long. I have to tell you that this has been the greatest ride of my life and you are looking at a person who is one of the luckiest guys in the world because I have been able to realize every dream that I ever had.

From the time that I was four or five years old my dream was to join the Mounted Police and I did that and I served 35 years and I had a career that - it sounds like you are reading a book - Robert Ludlum couldn't write one that's any better. Later I had a dream that perhaps I could become the Grand Master of this Grand Lodge and that has been the greatest experience in the world.

And my brethren it's not because of the perks of the office, it's not because of the power of the office - I'm sure that your Grand First Principal will agree with me when I say that the greatest thing about these offices is the fact that we get to associate with men such as you. You truly are the best men that Ontario has to offer. I am so humbled when I am in your presence and I am so amazed that we can take so much talent and with no coercive means or no power at all we can channel you along a direction that is used for the betterment of mankind.

I ask you to continue to be true and faithful to your Craft Lodge, to your Royal Arch Chapter and continue to be the best men that you are. It is indeed a pleasure for me to be in your presence and I am always humbled when I look out and I see you. Thank you for all you have done for me. Thank you for accepting me as one of you because it has been the greatest thing that I have ever experienced.

Before I close Most Excellent Sir and, I have been rambling on. I have a special thanks and that's to your Scribe Ezra. He is a man who has been a friend, a confidant and an advisor for more years than I care to remember and Mel you know how I feel about you. I just want to say a very simple thanks for all that you've done and if you think you are off the hook when July comes you don't know nothing yet baby because I'm going to be bugging you like you've never seen. I worry about your health I hope that we soon get that under control and I thank you my friend for all that you've done. Thank you.

GRAND FIRST PRINCIPAL'S ADDRESS

Excellent Companion and Most Worshipful Brother Donald H. Mumby, Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario, Distinguished Guests and Companions. Welcome to this the 147th Annual Convocation of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario in the lovely city of St. Catharines.

Most Worshipful Brother Mumby, on behalf of the Royal Arch Masons of Canada in the Province of Ontario, I pledge to you and the Grand Lodge of Canada in the Province of Ontario our continued allegiance and support. I thank you for taking the time from your busy schedule to be with us here this morning and also continued good health and safe travels to you and your wife Marion for many years to come. Your dedication to Masonry is most appreciated and we are thankful for the leadership you have given over the many years of service to all your Masonic endeavors.

I extend my thanks to the Convocation Committee under the leadership of Excellent Companion Roy Hardy, First Principal of Beaver Chapter No. 74 in Strathroy. I also extend my heartfelt thanks to the management and staff of the Quality Hotel Parkway Convention Centre for the efforts they have taken to make this a memorable event.

NECROLOGY: You have heard the moving ceremony of remembrance as conducted by our Grand Chaplain, Right Excellent Companion Richard Hryniv for those Companions who have passed on during the past 12 months. In addition, you have heard the tribute paid to Most Excellent Companion G Robert Jackson, Past Grand First Principal 1992/93, by Most Excellent Companion Leslie Levitt and to Most Excellent Companion M. Sheldon Boomhour, Past Grand First Principal 2002/03. They say bad things happen in 3's but in our case that is not correct. We have lost 4 of our great lights in Royal Arch Masonry in a period of 17 months. We can only hope that the future is more kind to our Past Grand First Principals and they continue to have many years of good health. We will miss the leadership given by all these Companions, who are now resting at peace.

On behalf of my mother and the entire Jackson family, I extend my personal thanks to all who visited at the funeral home, attended the funeral service, sent cards of condolences and expressed their words of loss to me personally on the loss of my father.

FRATERNAL RELATIONS: The Grand First Principal and the Grand Scribe Ezra are the representatives of this Grand Chapter on the Ontario Masonic Leaders Committee, which is lead most capably by our Grand Master. This committee is working diligently to promote all branches of Masonry in the most effective and efficient manner. I thank the Grand Master for listening to all voices around the table and asking for everyone's input prior to making any decisions. If we all continue to work together in harmony and "Let our Light so shine", the world in general and Masonry in particular will benefit.

PAST RANK: Excellent Companion John Jacob Veldhuis was serving as Second Principal of Temiskaming Chapter No. 169 when he suddenly passed away. Also, Excellent Companion Neil McGowan had been elected but not yet installed as First Principal of St. John's - St. George's Chapter No. 3 when he passed away. Excellent Companion John Collier served as First Principal of The Aurora Chapter No. 235 in excess of 1 year until the Chapter amalgamated with Mount Sinia Chapter No. 212 and as a result was not installed as a Past Principal. I recommend that Past First Principal rank be granted to these Companions.

CONDITION OF THE ORDER: Our term of office started with a meeting of the Grand Council and the Grand Scribe Ezra at the conclusion of the 146th Convocation. At that time we were advised of an incident that had occurred in the Registration Room where a Companion had directed some inappropriate remarks towards the Grand Scribe Ezra. An Investigation Committee was formed and after the incident was fully investigated, a Committee, formed for this purpose, provided a recommendation to the Grand First Principal. The Companion was subsequently suspended from Royal Arch Masonry effective September 1st, 2004 and he was directed to send a letter of apology to all concerned. The Companion was interviewed by the Grand First Principal on December 14th, 2004 and has been reinstated to full privileges in Royal Arch Masonry effective January 1st, 2005.

An attempt was made this past year by the Grand Council to settle the lawsuit that was filed against several members of Grand Chapter. Unfortunately, I must report that this attempt was not successful and as a result no member of Grand Chapter should discuss this matter until it is resolved, as it remains *sub juris*.

In May of 2004, our Grand Scribe Ezra received an E-mail from a Scribe Ezra to which was attached a Registration of a Candidate who had recently received a Degree in his Chapter.

On May 12, 2004, I sent a letter to all Chapters informing them that it was contrary to our Constitution to submit a form in this manner. The Federal Government has recently introduced strict Privacy Laws, which have a bearing on the way we operate. The Grand Executive Committee, under the direction of the Grand Third Principal, is currently looking into the practice of using E-mail for a Chapter Summons and when and if this is approved for implementation numerous sections of our Constitution will have to be amended to allow us to use E-mail for a variety of our transactions including the Registration Forms that currently must be mailed to Grand Chapter. Companions, please be patient in this matter, as we need to ensure that our Constitution is in accord with the wishes of the membership.

In addition, a letter was sent to all Chapters, in May 2004, regarding solicitation by any individual seeking an elected office with Grand Chapter. Our Constitution is very clear on this matter and we need to be diligent in our efforts to follow proper procedures. If we do not adhere to the Constitution, then what is the purpose of having a Constitution?

In June 2004, all Chapters were informed of discussions that had occurred at the Ontario Masonic Leaders meetings in regards to "raising the bar" for those seeking admission to Masonry. The purpose of the letter was to remind those signing a Candidates application for membership in Royal Arch Masonry, should know the person they are sponsoring and that they are not just signing the form for the sake of having a new Candidate in the Chapter. The First Principals were also reminded to strike a working Committee of Investigation for any applications including an application for Affiliation.

In October 2004, it came to my attention that a Chapter Summons was including information that was contrary to what our Constitution allows to be published. A reminder was sent to all Chapters to adhere to our Constitution in this regard. One First Principal in particular did not follow the directions of my letter of October 7, 2004 and he was summoned to appear at the Grand Chapter Office to explain why he failed to follow this direction. During the course of this meeting, he agreed that he would comply with the directive in the future. Subsequently, two other Chapters included information that was deemed inappropriate and they were also advised in writing to adhere to the Constitution in regards as to what is to appear in the Summons. One of these Chapters has recently filed an appeal that has been referred to the Grievances and Appeals Committee.

It had been brought to our attention that a First Principal who was succeeding himself in office was not consistently being made a Past Principal at the end of his term of 12 months. The Grand Lecturer was directed to amend the Ceremony of Installation and Investiture to include this in the Ceremony. This amendment was presented at the fall meeting of the Grand Executive where it was voted on and accepted by the members present. I encourage all Chapters and Past Principals to obtain a copy of the new book on the Ceremony of Installation and Investiture, as it is evident from my attendance at several Installations this past year that not all members are using the most current book.

An internal matter with regard to Manitou Chapter No. 27 in Collingwood was brought to our attention and I along with the Grand, Second Principal and the Grand Superintendent of District No. 9, attended the November meeting of this Chapter. The Chapter was opened in Ample Form, as the Chapter did not have enough Officers present to open the Chapter. A general discussion was held regarding the future of this Chapter. The Chapter was Called Off and the visitors retired during which the Members present discussed the options that had been presented to them by the Grand First Principal.

When the Chapter was Called On, the Members had agreed to a course of action and as a result a Trustee was appointed to assist the Chapter in returning to a viable position. The Scribe Ezra and Treasurer were directed to surrender any Chapter property they had in their possession to the First Principal and temporary Officers were appointed in their stead. Since this time the Chapter has decided to change its meeting night and the prospects for the Chapter appear bright. After a discussion with the First Principal and the Trustee for this Chapter, I am recommending that the Trustee remain in place until December 2005. I recently attended a meeting in Barrie with the Grand Master and members of the Lodge and Chapter. I am hopeful that all the members will now come together for the betterment of Royal Arch Masonry in general and all of Masonry in particular.

The Chairman of our Constitution, Laws and Jurisprudence Committee, Right Excellent Companion William Lidstone was approached about changing the term of office for the Grand Superintendent to a 2-year term. This subject has been reviewed on different occasions and there is no current agenda for this change to be implemented at this time. However, there is nothing preventing a District from electing a person to serve a second term as Grand Superintendent and in some cases, there would be a financial saving to the Districts if they were to take this approach. In fact, District 12 has had the same Superintendent for the last 2 years and the same has happened in District 3 and 13 previously. This is something that should be left to the individual Districts to determine rather than changing the Constitution and forcing all Districts to comply. It is possible that some extremely well qualified individuals would not be prepared to serve for 2 years but would be more than willing to serve for 1 year.

In another situation, a District had been under the impression that an individual who is a ruling First Principal is an Officer of Grand Chapter and as a result could not let his name stand for election for the Office of Grand Superintendent. This is incorrect and the individuals concerned were apprised of the correct information.

This year, when the Nomination forms were reviewed for the various elective offices of Grand Chapter, 8 of the 17 received were rejected, as they were not filed in the proper form as dictated by the Constitution. The individuals concerned were advised of their non-eligibility and one of these individuals filed an appeal that was referred to the Appeals and Grievance Committee. The Committee has since reported that the appeal has succeeded and as a result a new list of those seeking an Office or as a member of the Grand Executive has been prepared and is being distributed to all Registrants at this Grand Chapter. I have directed the President of the Grand Executive Committee, Right Excellent Companion George H Gifford, to have all of the forms approved for use by the Grand Executive Committee, reviewed to ensure they are clear to the users. It should be remembered that these forms are not mandatory, but rather are there to make things easier for those who wish to make use of them for convenience.

In an attempt to ensure that no Chapter would lose its voting privileges at this Grand Chapter, a letter was sent to all Chapters reminding them of the proper procedures to follow when submitting their year end reports and paying their semi-annual assessment. Even with the effort put forward by the Grand Council, 17 Chapters were initially denied the right to vote. The Grand Superintendents were instructed to determine the reasons for non-compliance by these Chapters and after reviewing the information provided through this direction, the voting rights for 5 Chapters were reinstated. This left 12 Chapters not able to vote this year at Grand Chapter.

As a result of the feedback received from these Chapters, next year the letter sent to the Chapter informing them of their suspension will specifically indicate what information was not provided as had been the past practice. I was also approached by Chapters indicating that it was expensive to submit the paperwork by Registered Mail and if other means such as Courier or Express Post from Canada Post could be used in the future. After researching this issue, I am recommending that in the future we continue to accept the yearend documentation by Registered Mail and Hand Delivery but in addition the Chapter may also submit the paperwork by fax, Courier, Express Post or Priority Post by Canada Post. In the case of Courier, Express Post, Priority Post and Registered Mail, the Chapter must ensure the documents are signed for on receipt at the Grand Chapter Office in addition to having some documentation as to when the Chapter sent the material. It is necessary there be an audit in place so if the documents go astray, they can be tracked in order to avoid any potential problems or disputes.

At the 145th Annual Convocation of this Grand Chapter, Most Excellent Companion M. Sheldon Boomhour stated the following in his Address, and I quote: "Companions, the Book of Constitution of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario contains the written laws and regulations of our Grand Jurisdiction. The contents, the product of the work and wishes of the majority of our Companions for over 145 years, apply to Grand Chapter Officers, each and every Companion and our Constituent Chapters." This is still the same and we must remember that the Grand First Principal, the Grand Council or the Grand Chapter Office did not write our Constitution. However, it is incumbent upon all of us to follow the Constitution the way it is written. If someone has a concern or complaint regarding the Constitution, then they are free to offer an amendment, which must be submitted, to the Grand Chapter Office by January 31st. If a Companion or Chapter does not understand something contained in the Constitution, I suggest they contact the Grand Chapter Office in writing and they will receive a written reply as to the interpretation of the section in question. I hereby notify all Companions of this Grand Chapter that I will continue to apply the Constitution to the letter during my term in Office. I would suggest that all Chapter Officers, Grand Chapter Officers and those who plan on seeking a Grand Chapter Office, obtain a copy of the Constitution and make themselves familiar with its contents. Under the direction of our Grand Lecturer, Right Excellent Companion Ed Goldthorp, 3 information sessions were held for prospective Grand Chapter Officers. It was disappointing to see such low turnouts for these events with the exception of the session held in Nilestown. I extend my personal thanks to all who were involved in either preparing or presenting the material and those Chapters that hosted these seminars. These information sessions were instituted with the hope of providing information to any Companion who might be interested in offering his services as an Officer of Grand Chapter. Since we rely on the Officers of Grand Chapter to chair the various committees, it was felt that those interested should be made aware of some of the responsibilities of holding an elected office. We are planning on holding these sessions again this coming year and I encourage any Companion to attend to get a better understanding of how Grand Chapter operates.

CHARITABLE ACTIVITIES: Once again this year our Committees are working in an exemplary manner to ensure that those less fortunate are considered. It is extremely important that a Chapter handles any requests for assistance either for Benevolence or for a Bursary in the most efficient method. The people are applying for assistance because of a need and we should show compassion and expedite their request. I thank the members of the Bursary, Benevolence and Medical Research, Release a Miracle Committees for their dedication and service to those in need.

GRAND SUPERINTENDENTS: On behalf of the members of Royal Arch Masonry in Ontario, I extend thanks to the Grand Superintendents for their cooperation and dedication over the past year. You can be proud of the job you have done and I am sure you will remember this year fondly for a long time.

DISPENSATIONS, JEWELS AND CERTIFICATES: This past year the following dispensations, jewels and certificates were issued:

Dispensations	88
25 year Past Principal Bars	19
50 year Past Principal Bars	3
50 year Royal Arch Jewels	39
60 year Pins	0
Past Principal Certificates	48

To all of these recipients, congratulations for your achievements and continued good health for many years to come. Royal Arch Masonry is the better for your dedication.

GRAND REPRESENTATIVES: I am pleased to recommend as Grand Representatives for Sister Jurisdictions near our Grand Chapter pending receipt of Commissions, the following:

It was my pleasure to approve the request from Most Excellent Companion Richard A Wortman, the Grand High Priest of the State of Kansas, for the appointment of Companion Michael A. Aldridge, Senior as the Grand Representative of the Grand Chapter of Royal Arch Masons of Canada, in the Province of Ontario near the Grand Chapter of Kansas. In addition, I approved the request of Most Excellent Companion Donald J. Beck, the Grand High Priest of the sate of Washington to appoint Very Excellent Companion Norman D Greenly as the Grand Representative of the Grand Chapter of Ontario near the Grand Chapter of Washington.

APPOINTMENTS: In keeping with our Constitution, Section 50, Subsection (e), I recommend that Right Excellent Companion John William Lidstone be conferred Honourary Membership in the Grand Executive Committee. Right Excellent Companion Lidstone has served faithfully as the Chairman of the Constitution, Laws and Jurisprudence Committee of this Grand Chapter for the past 2 years. He has most generously given of his time and talents to this Grand Chapter without regard to recognition of any type and I am sure that he will continue to do so for many years to come whenever requested.

AMALGAMATIONS AND DEDICATIONS: My predecessor, Most Excellent Companion M. Sheldon Boomhour, had appointed a Trustee to assist Succoth Chapter No. 135 to resolve certain issues. After discussion with the Trustee and the Chapter, it was determined that the Trustee should remain to finish the work started. After unsuccessfully arranging an Amalgamation with 2 different Chapters, the members voted to surrender their Charter. At the time they voted to surrender their Charter, they had a membership of 11 with all but 3 being members of another Chapter.

At the end of May 2004, after reviewing the last several returns of Kenogamisis Chapter No. 266 in Geraldton, a letter was sent to the Grand Superintendent of District No 15 informing him that he was to contact the Officers and members of this Chapter. He was directed to determine the plans this Chapter had for ensuring its success. The Chapter was to provide a written report on how they were going to address the problems they were experiencing. I received a response from the Grand Superintendent in December 2004, advising that the members had voted to surrender their Charter. This Chapter had a total of 21 members with over half of those having affiliated in an attempt to keep the Chapter going. This was a noble task on their part but unfortunately it only prolonged the inevitable. The Charter, books and funds of the Chapter, were given to our Grand Scribe Ezra on April 7, 2005.

On September 20, 2004, Grand Chapter assembled in Dunnville for the Amalgamation of McCallum Grimsby Chapter No. 29 and King Hiram Chapter No. 57 to form McCallum-Chapter No. 29. I was unable to be present on this occasion but the ceremony was conducted under the direction of Most Excellent Companion M. Sheldon Boomhour. The prospects of this amalgamated Chapter have greatly improved as a result of this positive step. Grand Chapter attended at Petrolia on September 25, 2004 for the Amalgamation of Bruce-Sombra Chapter No. 53 and Vimy Chapter No. 214 to form Bruce Chapter No. 53. This was a bittersweet occasion as it was my father, Most Excellent Companion G Robert Jackson, who had presided over the dedication of the Chapter room when Vimy Chapter No. 214 moved to Oil Springs in 1992. These 2 Chapters have worked closely over the years and it was only fitting that when there was a need for the coordination of working together for the betterment of Royal Arch Masonry, they amicably agreed to amalgamate.

The Grand Council and several current and past Officers of Grand Chapter were again present in Petrolia at Bruce Chapter No. 53 on October 20, 2004. On this occasion, Right Worshipful Brother Gary Atkinson, the Deputy Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario, was invested as Third, Second, First and Past Principal of the Chapter.

Grand Chapter assembled in Kingston on November 27, 2004 for the dedication of the Chapter room for Royal Arch Masonry. I extend my congratulations to the Masons of Kingston for selecting such outstanding accommodations to ensure the continued success of all branches of Masonry for centuries to come in the city of Kingston.

On March 1, 2005, Grand Chapter assembled in Richmond Hill for the Amalgamation of The Aurora Chapter No. 235 and Mount Sinai Chapter No. 212, to form Mount Sinai Chapter No. 212. This is a Chapter with a rich history and has produced many fine members that have contributed immensely to this Grand Chapter. I congratulate the Officers and Members of this newly amalgamated Chapter and foresee a bright future for Royal Arch Masonry in Richmond Hill.

CELEBRATIONS AND RECOGNITIONS: I was pleased to be present on May 18, 2004 at Ancaster Chapter No. 155 for the presentation of the Distinguished Service Award to Companion Bruce Hassack. This Companion is a fine example of dedication to Royal Arch Masonry and I was pleased to play a small part in the celebration the Chapter offered to this gentleman. Unfortunately, he passed away earlier this year but it was a privilege for me to meet him and present him with his certificate.

I was made an Honorary Life Member of the St. Andrews-London Chapter No. 150, at the May 27, 2004 meeting. This is an honour that I will always treasure.

I attended, along with my wife Wendy, the 76th Annual Convention of the Order of the High Priesthood of Ontario where I received the title of Honorary Past Grand President. I thank the Order of the High Priesthood for this recognition.

My wife and I attended the 100th Anniversary celebrations of Shekinah Chapter No. 138 in Toronto on June 8, 2004 where we had a most enjoyable evening. The food was excellent and the entertainment was outstanding. Congratulations for putting on such an outstanding event.

When I attended the Grand Chapter of Michigan in August 2004, I was presented with Honorary Membership in this body. I thank the Officers and Members of the Grand Chapter of Michigan for this honour.

St. Patrick Chapter No. 145 celebrated its 100th Anniversary on October 19, 2004 and those members of Grand Chapter present were entertained in a most elegant ceremony. We extend our best wishes to this Chapter for continued success for many years to come.

On November 20, 2004, my wife and I attended the Prince Edwards District Principals Association Ladies Night in Belleville. Once again the evening was a huge success and the Companions of this District did an outstanding job in treating their ladies to an excellent evening of food and entertainment.

Palestine Chapter No. 54 in St. Thomas held a dinner in my honour on February 2, 2005. I extend my thanks to the Officers and Members of Palestine Chapter for their continued support over the past several years. This was held in conjunction with the dedication of a new Pedestal and Lesser Lights constructed by Very Excellent Companion Ron Erickson a member of Palestine Chapter. This Companion has constructed several other pieces of furniture that are used by the various Masonic bodies using the Masonic Temple in St. Thomas and his workmanship is exquisite. I would encourage you to attend a meeting in St. Thomas to view his workmanship first hand. Thank you Very Excellent Sir for your dedication to Masonry.

On March 5, 2005, the Companions of District 10 held a very successful celebration in honour of the Grand First Principal under the expert leadership of the Grand Superintendent, Right Excellent Companion Gary F McCormick. My wife and I enjoyed ourselves immensely and the members of District 10 should be extremely proud of their efforts and those of their Grand Superintendent.

Bernard Chapter No. 146 in Listowell, celebrated its 100th Anniversary on March 26, 2005 and my wife and I, along with all in attendance, were once again treated to a most enjoyable evening. To the Companions of this Chapter, I wish you much happiness and prosperity for years to come.

CONCLUSION: I extend my heartfelt thanks to all Members and Officers of Grand Chapter for working so diligently this past year to promote Royal Arch Masonry. Your efforts are greatly appreciated. To Right Excellent Companion George H Gifford, Grand Second Principal, and Right Excellent Companion Roland A Paddle, Grand Third Principal, thank you for your dedication and attendance to all issues dealt with this past year. Without your support and encouragement, this would have been a very lonely year. It is my hope that you will continue to have good health and safe travels. Right Excellent Companion Melvyn Duke, Grand Scribe Ezra, thank you for your guidance and knowledge in making this first year such a success.

I am looking forward, with fondness, to the next year and I hope that you the members of this Grand Chapter will continue to support all Grand Chapter Officers as they undertake the duties of their respective offices. I extend an open invitation for any Companion in this Grand Jurisdiction to feel free to contact our Grand Chapter Office at any time if they wish to discuss any matter with the Grand Council. Once again we will continue to meet on a regular basis at the Grand Chapter Office and we are also willing to attend any event in any District or Chapter to promote open dialogue or any issue pertaining to Royal Arch Masonry.

Finally to my wife Wendy, thank you for your love and support over the last several years and I look forward to the future and her continued understanding when I am absent from the dinner table because of my duties to Royal Arch Masonry.

Fraternally submitted,

Richard James Jackson, Grand First Principal

Sub Section (d) delete and replace with *"The registration books will be open at 5:00 p.m. and close at 8:00 p.m. on the day preceding the first day of the Grand Convocation, and on the first day of the Grand Convocation the registration books will be opened at 8:30 a.m. and closed at 1:00 p.m."* **Your Committee finds this amendment to be regular and in order.**

E Section 28 DUTIES, POWER AND RULES REGARDING THE GRAND THIRD PRINCIPAL

This proposed amendment reflects the requirements contained in Section 47 of the Constitution of The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario, relative to the office of Deputy Grand Master. **Your Committee finds this amendment to be regular and in order.**

F Section 32 DUTIES OF THE GRAND SCRIBE EZRA

Sub Section (j) delete and replace with "*keep a register of all members of Constituent Chapters and receive the Annual Returns from the several Chapters and enter them in the records of Grand Chapter and duly report the same in the Proceedings of the Annual Convocation of Grand Chapter.*"

G Section 66 PUBLIC RELATIONS COMMITTEE

Sub Section (b) delete and replace with "*be responsible for the solicitation of contributions in the form of papers and articles as well as editing, publication and distribution of Public Relations material.*" **Your Committee finds this amendment to be regular and in order.**

2. I, William D Burns on behalf of Ottawa District No. 222 would like to propose an amendment to the Constitution which would allow a Chapter to confer on request. either an MEM or RAM Degree on a Companion from another Chapter in amity with the Grand Chapter of Canada in the Province of Ontario. To amend Article 81 (c) on page 61 of the 2004 edition as follows:

i. *A candidate must receive the Mark Master Mason Degree in the Chapter in which his application is accepted. On request from a Chapter or Chapter under Dispensation in this jurisdiction or from a Chapter or Chapter under Dispensation in the jurisdiction of some other Grand Chapter of Royal Arch Masons which is recognized by this Grand Chapter, a Chapter may confer the Most Excellent Master and/or the Holy Royal Arch Degree on candidates of the requesting Chapter.*

ii *No more than ... Exaltation Fee. There would be no change in that part of the existing 81 (c).*

Section 7 JURISDICTION of the Constitution states the following: *"The exclusive jurisdiction of this Grand Chapter shall include all Chapters of Royal Arch Masons, all Lodges of Mark Master Masons and all Lodges of Most Excellent Master, within the territorial boundaries of the province of Ontario."* Since this Grand Chapter has exclusive jurisdiction only within the Province of Ontario, it is beyond the powers of Grand Chapter to amend our Constitution to intrude upon the jurisdiction of another Grand Chapter regardless if it should be in amity or otherwise. **Your Committee finds this amendment to be beyond the powers of Grand Chapter and therefore is neither regular nor in order.**

3. I, Shavak Russy Maddon hereby give notice that at the next Annual Convocation of Grand Chapter I will move or cause to be moved the following amendments to the current Constitution of Grand Chapter:

Section 70 GRAND CHAPTER FEES AND DUES

Sub Section (c) delete the final paragraph and replace with: *"For every member of the Chapter on the register of Grand Chapter as at the previous December 31st, payable semi-annually on the thirtieth of June and the thirty-first of December each year effective April 30, 2005 - \$8.00."* **Your Committee finds this amendment regular and in order.**

4. I, David G. Walker will move or caused to be moved at the 147th Annual Convocation of the Grand Chapter Royal Arch Masons of Canada in the Province of Ontario; that whereas the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario, after extensive review and consultation amended their Constitution in July 2004, to permit the e-mailing of Lodge summons, that therefore Section 78 of the Constitution be amended by inserting a new paragraph 9(b) and renumbering the subsequent paragraphs:

Section 78 CHAPTER SUMMONS

The new paragraph to read as follows:

(b) A Chapter may transmit its Summons to a member of a Chapter by e-mail providing:

- (i) The Scribe E has on record a "Request Form" the Chapter member has signed agreeing to receive the Chapter Summons by e-mail and agreeing that it is the member's responsibility to keep the Scribe E informed of his current e-mail address,*
- (ii) and, the contents of the e-mail summons has the same appearance as if sent by post,*
- (iii) and, the e-mail summons is password protected.*

The 2004 amendments to the Constitution of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario included the following: Section 270: *"A summons shall be sent in a sealed envelope or by secure electronic transmission via e-mail. Neither the summons nor the envelope shall contain any materials which does not relate to Craft Masonry or to any activity for which a dispensation has not been obtained from the Grand Master (2004)"*

While the proposed amendment does reflect the Constitution of Grand Lodge Section 270, and would therefore be regular and in order, it is your Committee's belief that it should not be presented to this 2005 Annual Convocation to be voted upon until the necessary request forms pertaining to summons transmission by secure electronic transmission via e-mail are either included or already in place, and further that Candidates Membership and Affiliation forms have been prepared for and approved by the Grand Executive Committee. **Your Committee recommends that voting on this amendment be deferred until such time as policy, procedures and forms have been developed and are in place.**

Since last reporting to the Grand First Principal and the Companions of Grand Chapter in 2004, your Committee has dealt with a number of issues, both legal and interpretative as per our mandate under the Constitution.

In addition 27 submissions from Constituent Chapters relative to amendments to their By-laws have been reviewed and the appropriate recommendations have been submitted to the Grand First Principal. While most Chapter By-law amendment submissions are proper and in order, a few Chapter First Principals and Scribe Ezra's fail to follow the requirements of the Constitution as set out in Article 74. Once again let us stress that all Chapters should be working from the last and most recent edition of the Constitution, which until the proposed amendments may, or have been passed at this Grand Convocation is marked 2004 on the cover. In addition, the Grand Superintendents should insist that the Chapters in their respective Districts utilize Form TGC 11 when submitting requests to amend Chapter By-laws. By following the process as set out on the form, requests to amend Chapter By-laws can be quickly "recommended for approval as written".

All the above is respectfully submitted on behalf of the Committee, R.Ex.Comps. Norman E Byrne, David E Jacklin and J William Lidstone, Chairman.

Moved by the Grand Second Principal seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

REPORT OF THE BURSARY COMMITTEE

To the Most Excellent, The Grand First Principal, Officers and Companions of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario

Most Excellent Sir and Companions:

The Scholarship and Bursary Committee would like to thank you for the opportunity to serve this Grand Chapter for the past 12 months. Now with our term complete, and as Chairman of the Committee, it gives me pleasure to inform you of our activity for the past year.

Ninety-three applications have been received, 87 have been approved, 4 are pending and 2 were rejected with a total of \$28,550.00 being awarded. We have received applications from 14 of the 15 Districts this year and District No. 3 has had the most applications submitted with 22 being approved. District No. 12 follows close behind with 16 being approved.

There have been a lot of 1st year applications submitted this year which indicates that there are a lot of new students entering the final stages of education soon to be the leaders of tomorrow.

Again this year there have been some problems with application forms being incomplete. Some information is not being provided, forms are not being filled out properly and some signatures and comments from the Chapter Officers are also missing on the application forms. Some of these applications have been corrected but this can sometimes mean a lengthy delay of the approval process.

This trend will probably always be an ongoing problem, therefore all we can do is educate and emphasize the importance of the requested information and ask that the instructions be read carefully when filling out the application forms. The information provided on these forms is *very critical* as it is usually the only way that we as a committee can understand and verify the students' need for our assistance.

Remember the Students are the ones who will suffer by our mistakes!

Packages containing application forms & guidelines for bursary grants have been prepared for the new Grand Superintendents so they can be distributed to the respected District Chairmen. We, the committee rest assured that our work this past year has helped to make a difference in the lives and education of the students we have assisted and consider the money we spent an investment in OUR FUTURE.

Respectfully submitted by: R.Ex.Comps. Michael Bowman (Chairman), Bruce Miller, Andrew Allan, Raymond Borland, Derek Ward, David Laskey and V.Ex.Comp. William Espfen.

Moved by the Grand Second Principal and seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

REPORT OF THE FRATERNAL CORRESPONDENCE COMMITTEE.

To the Most Excellent the Grand First Principal, Officers and Members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

This year I have had the pleasure of reviewing the Proceedings from 25 Grand Jurisdictions covering Canada, the United States and Europe. Of interest, we had six jurisdictions provide their proceedings on computer disks. Lower printing costs and ease of handling are the incentive.

Declines in membership continue in all jurisdictions while some individual chapters show significant increases. There is a trend developing where deaths are overtaking suspensions as the leading cause of membership loss.

Recruitment continues as a priority with many differing approaches. Closer collaboration between Grand Lodges and York Rite bodies is being actively pursued. As a result, Grand Lodges have allowed and encouraged Chapters, Councils and Commanderies to recruit openly. One jurisdiction has been given authorization by a Grand Lodge to have Chapter members visit Lodges in Chapter regalia. In another jurisdiction a costumed presentation was developed and presented in Lodges and open houses. Summonses, web sites and other communication media are increasingly carrying items representing all masonic bodies. Information booklets and pamphlets are now readily available for distribution at Lodges. Field days, festivals and classes of exaltation continue and in fact seem to be increasing. These do have a down side, however, as Chapters are losing their ability to do degree work. The promotion of Chapter degree teams and awards for degree work are being undertaken to deal with this issue. Some jurisdictions have established award schemes for bringing in a certain number of new members. Others have identified an enthusiastic Chapter representative to be the point man at a Lodge to provide information and encouragement to potential companions. Many jurisdictions support youth groups such as DeMolay, Rainbow Girls and Job's Daughters. DeMolay members are being streamed for initiation in Lodges and ultimately into the Royal Arch.

Member retention, attendance and revitalization are now getting much more attention through various approaches. Companions are being encouraged to meet face to face with members who are demitting or in arrears. These discussions provide for the opportunity to reassess the reasons and in many cases provide the incentive to remain active. In some areas, suspended companions are offered amnesty from past dues. Reinstatement occurs with current dues payable only. Charter retention has also become an issue. Some jurisdictions are in the process of introducing six man quorums to allow for the opening and conducting of business in Chapters. Degree work may be conducted at field days or internally with support from a neighbouring Chapter. At least two jurisdictions are in the process of instituting Royal Arch Tabernacles or Royal Arch Associate Chapters to preclude the surrendering of their Charters. This option is used in areas where membership has fallen off drastically but there is still a source of master masons. In these instances, the organization requires only a president, vice president, secretary and treasurer.

No fees or per capita taxes are imposed and meetings are at their discretion. They cannot confirm degrees but may have a regular chapter or a field day do it for them. The goal is to keep the Charter and organization on location with the hope of revitalization and reactivation of full privileges. Other jurisdictions promote inter-Chapter support where visiting companions enable a quorum to be met. In these instances, visitors cannot hold office or vote on business matters.

In the area of attendance and revitalization, many different approaches are used. All jurisdictions have developed or are in the process of creating educational materials that Chapters can have access to. Day classes are being held to further their masonic knowledge and hopefully stimulate further interest. Some Chapters identify and carry out community projects which appear to stimulate individual participation and interest. Visitation is stressed in all areas and some provide incentive by providing awards for making six or more visits in the year. Grand line officers are increasing Chapter visits in the hope of awakening interest and providing inspiration to the attendees.

The support of charities is found in all jurisdictions. Masonic Homes, Royal Arch Research Assistance, Juvenile Assistance and Foundations are but a few of the undertakings. As an aside, Scotland is particularly proud of the fact that in the last 34 years, they have distributed 357,000£ in national and international support. Even Canada benefited. Curious!

The formation of degree teams to work both craft degrees and chapter degrees are encouraged as another way of involving companions in meaningful activities. The biggest challenge facing Chapter officers is to involve all junior and senior members in activities that leave no one on the sidelines.

In summary, our problems have challenged us to be very creative and active in promoting Royal Arch Masonry. This should bode well for the future. We must continue to encourage enthusiasm, develop positive attitudes and commitments to meet challenges head on.

I would like to thank you, Most Excellent Sir, for the opportunity to serve our Grand Chapter and also to thank our Grand Scribe Ezra for the continuing support. Respectfully submitted by: Walter T. Bulbeck, Chairman

Moved by the Grand Second Principal and seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

GREETINGS EXTENDED FROM ATTENDING COMPANIONS

During the 147th Annual Convocation of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario Fraternal Greetings were extended by Visiting Companions of each of the Grand Chapters and other Bodies represented.

REPORT OF THE INVESTMENTS COMMITTEE

To the Most Excellent the Grand First Principal, Officers and Members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

Your Investments Committee has been in regular contact with our Investments Broker, RBC Investments, which has managed our investments in very capable fashion to date. Your Committee continues to monitor the management of these three portfolios: General Account, Scholarship and Bursary Account, as well as the Medical Research Account.

Our investment portfolios continue to have some positive growth in each account over the past fiscal year ending February 28, 2005, and we trust that they will continue to grow.

On behalf of the members of the Investment Committee, we are pleased to have had the opportunity to serve on behalf of the Grand Chapter. I wish to thank the members of the Committee in the persons of R.Ex.Comp. Shavak Maddon, R.Ex.Comp. Melvyn Duke, R.Ex.Comp. Desmond Washer for their assistance with this Report.

Respectfully and fraternally submitted, R.Ex.Comp. Ronald T. Stinson (Chairman)

Moved by the Grand Second Principal and seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

REPORT OF THE GRAND TREASURER

To the Most Excellent the Grand First Principal, officers and members of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

Once again it is my privilege to present to you the audited financial statements of the Grand Chapter, the Medical Research Fund and the Scholarship and Bursary Funds for the year ended February 28, 2005. I am pleased to report that all three audit reports are unqualified except for technical qualification in respect of charitable donations received. The following are the highlights for the fiscal year 2005:

The Grand Chapter: The total revenue was \$107,700 compared to \$114,400 in 2004. Our expenses amounted to \$100,900 as against \$95,200 in the prior year. Our revenue includes a capital gain on sale of investments of \$7,300 compared to a gain of \$14,576 in the prior year. We ended the year with excess of revenue over expenses of \$6,800. Hence our net assets amounted to \$446,400 compared to \$439,700 in the prior year. It should be noted that without the gain on sale of investments, we would have ended the year in a deficit.

The Scholarship and Bursary Fund: Our total revenue was \$51,600 compared to \$29,999 in the prior year. We paid out bursaries of \$24,100 compared to \$24,200 in the prior year. The capital gain on sale of investments amounted to \$26,400 compared to \$5,900 in 2004. As a result we ended the year with a surplus of \$26,700. Our net assets increased from \$545,900 to \$572,600.

The Medical Research Fund: The total revenue was \$42,900 compared to \$26,500 in 2004. During the year we made grants of \$30,000 as against \$30,500 in the prior year. The capital gain on investments amounted to \$15,000 as against \$3,300 in the prior year. We ended the year with the net assets increasing to \$464,800 compared to \$452,600 in the prior year, which is as a result of our income exceeding our expenses by \$12,200.

General: The market value of our total investments at the Grand Chapter, The Scholarship and Bursary Fund and the Medical Research Fund amounted to \$1,554,600 compared to the book value of \$1,402,100. As in prior years we have not booked the gain of \$152,500 in the financial statements until the investments are realized.

During the year, I met several times with the Grand Scribe Ezra to discuss the financial affairs of our Grand Chapter and where necessary I have also met with the Grand Council. May I take this opportunity to recognize our Grand Scribe Ezra. R.Ex.Comp. Melvyn J Duke for his efforts in stringently controlling the finances of the Grand Chapter and the two related Funds. I would be remiss if I did not acknowledge the effort and dedication of the Finance Committee and Investment Committee members. Finally, I would like to thank our Grand First Principal, M.Ex.Comp. Richard J Jackson for allowing me to serve as the Grand Treasurer.

Respectfully and fraternally submitted, R.Ex.Comp. Shavak R Madon, Grand Treasurer

Moved by the Grand Second Principal, seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

AUDITOR'S REPORT

To the Grand Executive Committee of The Grand Chapter Royal Arch Masons of Canada in the Province of Ontario

We have audited the statement of operations of The Grand Chapter Royal Arch Masons of Canada in the Province of Ontario as at February 28, 2005 and the statements of operations and changes in the net assets and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at February 28, 2005 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

1 Nature of Operations: The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario is a not for profit organization which serves as the central administrative body for Masonic Chapters in the Province of Ontario. The organization is exempt from income tax under the Income Tax Act.

2 Summary of Significant Accounting Policies

Inventories: Inventories of supplies for sale and for use are valued at cost.

Fixed Assets: Fixed assets are stated at acquisition cost. New additions are not depreciated in accordance with generally accepted accounting principals but are charged to expenditure in the year of acquisition. The cost of additions is then added to the accumulated cost of fixed assets in the records and to accumulated depreciation.

Revenue recognition: The organization follows the deferral method of accounting contributions whereby restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Revenue from operations is recognized at the time goods are shipped or services are supplied to members.

Income from investments: Dividends are recorded as revenue when received. Interest on investments is recognized as income when it becomes due. Premiums or discounts on investments are expended or recognized as income, when incurred.

	\$ 39,417	\$ 39,082	\$ 335	\$ 335

4 Financial Instruments: The financial instruments of the organization include cash, receivables, payables and portfolio investments. The fair market values of cash, receivables and payables are assumed to approximate their carrying amounts because of their short term maturity. The fair values of investments are assumed to approximate quoted values. Market value of the investment portfolio is \$449,838 (2004 - \$403,951).

Included in investments are shares in York Masonic Temple Limited, received as part of the dissolution of a particular chapter. These shares are recorded in the books at a nominal value of \$1 per share. Portfolio investments are placed in well capitalized, high quality corporate and government securities. The organization does not use derivative instruments to reduce its exposure to interest and foreign currency risk. The organization has not significant concentrations of credit risk.

5 Restricted Net Assets: The net assets restricted for Commuted Membership represents funds that have accumulated with respect to lifetime membership payments.

Some chapter members have made lump sum payments to satisfy future membership obligations. These net assets are subject to internally imposed restrictions stipulating that the resources be maintained to provide annualized returns intended to compensate the organization for the costs of servicing these members.

The net assets restricted for Victory Thanksgiving Benevolence are internally restricted for purposes of providing welfare assistance to companions and their families in need. These amounts are not available for other purposes without the approval of the membership.

6 Related Entities: The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario (The Grand Chapter) exercises significant influence over both The Grand Chapter - Scholarship and Bursary Fund and The Grand Chapter - Medical Research Fund. The Grand Chapter annually appoints the board of directors for both organizations. Both related entities are registered charities under the income tax act.

The Scholarship and Bursary Fund was established to provide assistance to Royal Arch Masons, dependants of members, widows and orphans of members to complete their education at universities, community or technical colleges. The Medical Research Fund was established to provide funds for medical research upon receiving a valid request for assistance.

Neither the Scholarship and Bursary Fund nor the Medical Research Fund have been consolidated in the Grand Chapter financial statements. Financial summaries of these unconsolidated entities as at February 28, 2005 and 2004 and for the years then ended are as follows:

AUDITOR'S REPORT

To the Grand Executive Committee of The Grand Chapter Royal Arch Masons of Canada in the Province of Ontario - Medical Research Fund (Release A Miracle Fund)

We have audited the statement of operations of The Grand Chapter Royal Arch Masons of Canada in the Province of Ontario - Medical Research Fund (Release A Miracle Fund) as at February 28, 2005 and the statements of operations and changes in the net assets and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The organization derives some funds in the form of donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization and we were not able to determine whether any adjustments might be necessary to revenues, excess of revenues over expenses, assets and fund balances.

In our opinion, except for the omission of the disclosure described in the preceding paragraph and except for the effect of adjustments, if any, we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to above, these financial statements present fairly, in all material respects, the financial position of the organization as at February 28, 2005 and the results of its operations and the changes in cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

REPORT OF THE FINANCE COMMITTEE

To the Most Excellent the Grand First Principal and Members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

The Finance Committee has reviewed the financial statements for the fiscal year 2005 and compared these figures with the budgeted figures as approved by the Grand Chapter at our Convocation in 2004. The Finance Committee is satisfied that there is a satisfactory explanation for all variances.

For the fiscal year ending February 2006, we are projecting income of \$95,500 compared to expenses of \$106,800 resulting in a deficit of \$22,300. Our increases in expenses are in just about every category, particularly in the areas of office equipment upgrade, audit, insurance and other office expenses. Unfortunately our revenue base keeps going down due to declining membership and as a result our projected per-capita dues are \$2,700 lower than the actual for 2005. We have not taken into consideration any gain or loss on the sale of investments.

In prior years we have stated that there should be sufficient funds in the budget to promote our Order. The Grand Chapter is attempting to raise the profile of Capitular Masonry in the community at large. In three years our Grand Chapter will be celebrating its presence in Ontario for 150 years and your Finance Committee sincerely believes that this will be an excellent opportunity for us to increase our visibility. Again this will require an investment on our part.

Respectfully and fraternally submitted on behalf of the Finance Committee - R.Ex.Comp. Shavak Madon (Chair), R.Ex.Comp. Thomas Manning, R.Ex.Comp. Ronald Stinson and R.Ex.Comp. Melvyn Duke.

Moved by the Grand Second Principal, seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

REPORT OF THE GRAND HISTORIAN

To the Most Excellent the Grand First Principal, Officers and Members of The Grand Chapter of Royal Arc Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

One of the highlights of the 146th Annual Convocation held in the Quality Hotel Parkway Convention Centre, St. Catharines, ON was certainly the investiture of the Grand First Principal by his Father, Most Excellent Companion G. Robert Jackson assisted by his Brother Companion Bob Jackson, and marks the first time that a father and son have ever served as Grand First Principals in Grand Chapter in the Province of Ontario.

In our *Grand First Principal's Address* you will find information pertaining to the awarding of Special Honours; including Dispensations, Jewels and Certificates as well as Amalgamations, Anniversaries, Dedications and pertinent information on Fraternal Relations and Charitable Activities along with other points of historical interest.

The Book of the Proceedings for "2004" and Proceedings from the past are in themselves all *Historical Documents* and they remain a vital part of our Heritage.

Since our last Convocation we mourn the passing of two Past Grand First Principals. Most Excellent Companion G. Robert Jackson, 1992-93 and Most Excellent Companion M. Sheldon Boomhour, 2002-03. We cherish their memories. Regretfully, at the end of December 2004, Kenogamisis Chapter No. 266 in Geraldton went into darkness.

Here is a brief summary of stats from recent years:

Year	Memberships	Demits	New Members
2000	9959	201	207
2001	-412	224	205
2002	-370	209	209
2003	-360	216	193
2004 has produced <u>210 Deaths</u> , <u>83 Suspensions</u> , <u>254 Demits</u> , <u>6 Restorations</u> , <u>52 Affiliations</u> and <u>150 Admissions</u> , which equates to a <u>LOSS OF 349</u> . The past four years have seen a decline of 1481 Companions resulting in a current membership of 8,469.			

In closing I wish to express my gratitude to M.Ex.Comp. Richard J. Jackson and the Grand Council for allowing me the privilege of serving The Grand Chapter.

Respectfully submitted by V.Ex.Comp. Gary P. Humes, Grand Historian.

Moved by the Grand Second Principal, Seconded by the Grand Third Principal that this report be received and be approved for printing in the proceedings. CARRIED.

REPORT OF THE BENEVOLENCE COMMITTEE

To the Most Excellent the Grand First Principal, Officers and Members of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

The Benevolence Committee is pleased to report it's activities for the 2004-2005 Masonic year. Four applications for Benevolence were received and approved and a sum of \$3,000.00 was dispersed. Our Grand Chapter has a Benevolence Fund and a Committee to assist the less fortunate. The members of the Benevolence Committee are willing to assist. Many times the Companions are too embarrassed to admit that they are in need of help.

Benevolence is an important program designed to assist those who may encounter unexpected financial difficulties. If you know of a Companion or Companion's family in need of assistance, contact your District Benevolence Chairman, Grand Superintendent and Officers of your Chapter so that an application form may be filled out and submitted to Grand Chapter to be forwarded to the Committee for consideration. Companions it is said, the verbs "to love" "to help" are the most beautiful verbs in the world.

In concluding this report, I wish to thank the Grand First Principal for his confidence in appointing me as Chairman of the Committee. To R.Ex.Comp. Rev. Aaron Orr and R.Ex.Comp. Robert McMaster, thank you for supporting me in providing assistance to the less fortunate companions and their dependents.

Respectfully submitted on behalf of the Committee - R.Ex.Comp. William Klapatiuk.

Moved by the Grand Second Principal and seconded by the Grand Third Principal, that this report be received and approved for printing in the proceedings of Grand Chapter. CARRIED.

REPORT OF THE COMMITTEE ON THE MEDICAL RESEARCH FUND RELEASE A MIRACLE

The Most Excellent, The Grand First Principal, Officers and Members of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

This year end report covers the activities of the Committee on Medical Research of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario for the year ending March 2005.

At the end of last summer we contacted all the Grand Superintendents congratulating them on their preferment and informing them of the charities of Grand Chapter especially of the Medical Research - Release-A-Miracle fund and encouraged them to promote the pursuit of medical research and to raise funds for this very worthwhile endeavour.

We have also promoted our charity on the Grand Chapter website and listed the research projects which we have supported. At the same time we pointed out that if we are to focus our attention on autism we would need significant contributions from the companions to make a difference.

At the executive meeting last October several Grand Superintendents requested a brochure promoting the Release-A-Miracle fund and this is being designed. It was also felt that we should not abandon the excellent research projects we have supported in the past. There has also been a considerable interest and concern expressed by many companions into research in arthritis which you know affects most of us as we age and we have added this to our present list.

I have been in contact with a number of university research departments and am pleased to recommend the following projects for our support:

- | | |
|--|-------------|
| i) Professor Peter Szatmari, Division of Child Psychiatry, McMaster University for ongoing research in Pervasive Developmental Disorders. He is continuing his work on the genetic basis of Autism | \$ 5,000.00 |

During the past two years I have had the honour of chairing this committee and have had the pleasure of working with wonderful companions. I would like to thank them and also the Grand Scribe Ezra, R.Ex.Comp. Melvyn Duke for their assistance.

Respectfully submitted on behalf of the Committee: R.Ex.Comps. Ian D. Nichols, Gordon J. Carr, Joseph Edwards, Brett D. Kahler, E. Roy Harrison, V.Ex.Comp. Peter Cameron and myself M. Hassan Mohamdee, Chairman

REPORT OF THE COMMITTEE ON THE CONDITION OF CAPITULAR MASONRY

To the Most Excellent the Grand First Principal, Officers and Members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

It gives me much pleasure to present this report on the Condition of Capitular Masonry on behalf of the Committee, the 15 Grand Superintendents. The following summary is gathered from the information on the Superintendents reports, and personal observations.

The Course of Instruction is the Superintendents first official contact with the Principals of the respective Chapters. For the most part attendance was disappointing, but successful districts attracting representation from all chapters. combined these courses with other events.

General regular attendance ranged from no quorum, fair, to near a full house. Chapters in the north are struggling to attract interest and have experimented with Saturday Daylight Meetings to avoid night driving. Several official visits show improved attendance. Some Chapters have plans in place to attract candidates and attendance by observing the Brother to Brother and Friend to Friend programs. Financial concerns have been met by amendments to bylaws, increasing dues to meet the expense from reduced membership and higher operating costs. Others are exploring less expensive quarters in new locations.

Installation ceremonies encourage the practice of installing a succeeding First Principal into the office of Immediate Past Principal then returned to the chair. It has been observed that some chapters neglect presenting the First Principal annually with a current copy of the Grand Chapter Constitution, an important tool of office. Most Chapters are finding it necessary to recycle Past Principals to fill offices.

Open book degree work prevail in some chapters while others admit absent officers with short notice have caused lectures to be read.

Others are presenting letter perfect well organized work. With the exception of three outstanding official visits, degrees were conducted and reports have been amended.

Special events attract good attendance in general and with good planning have proved successful open house events, long service awards, picnics, BBQ fund raising events, anniversaries, amalgamations and receptions. The dedication of the new Chapter room in Kingston by Grand Chapter in November gives new hope to the Kingston Chapter.

Interest in delivering monthly summons by the internet encouraged a general survey to be conducted. The Superintendents were requested to canvas the Chapters in their district and report the results. Full participation was not successful, but from 108 Chapters 82 responded from 12 Districts. Concerns are: A dual system would be required to ensure all members receive the same message. Increased work load for Scribe Ezras. A secure system is necessary to ensure privacy of information and receipt of the message. The lack of interest, participation and information at the present time does not encourage the practice of emailing summonses.

It was disappointing to find conflict within some Chapters. In isolated cases this has been reason for a Chapter to close. Several cases have been resolved and harmony restored. Finally the mandate for all chapters be returned was not successful. There were 14 Chapters from seven districts failed to properly file annual returns by January 31, 2005.

Moved by, the Grand Second Principal, seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

REPORT OF THE PUBLIC RELATIONS COMMITTEE

To the Most Excellent, the Grand First Principal, Officers and members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions:

On behalf of the members of the Public Relations Committee I would like to thank you for the opportunity to serve this Grand Chapter. This year we have promoted Royal Arch Masonry to brethren in the craft by Open Houses, Master Masons Nights, while at the same time increase our visibility by attending social functions within the communities. We portrayed Royal Arch Masonry as an integral part of the family of masons.

A number of Shrine ceremonials were attended by committee members and the Royal Arch Mason's display was set up. Members of the committee attended Open Houses in many Lodges in various Districts. Speeches and information given out for open houses will be formalized, modified and updated. The current Power Point presentation is rather old and will soon be updated.

The Royal Arch Mason's display received many positive and favourable remarks at the open houses and at Grand Lodge Convocation in Toronto in 2004. Chapters should contact the chairman if they need to use the display. A voice mail or e-mail is the easiest way to contact the members.

Together with the other masonic bodies, the display was erected at the International Ploughing Match in Meaford.

The Royal Arch Mason's display was well attended with more than 200 masons signing the visitors book. Thank you to those members who helped in manning and transporting the display. In particular, thanks to Comp. John Lemon of Georgian Chapter No. 56, who attended each day of the International Ploughing Match.

The Royal Arch Mason's display was also present at the Scottish Rite Open House in London where they enacted the 29th degree before 250 masons and friends. Each year there are a few Chapter summonses which could be made more attractive by changing the font, the layout and content. Remember this is the main contact that we have with our companions.

The events section of the web site is not being used by the companions. The web site at <http://www.royalarchmasons.on.ca> is an easy method of communicating information on important and upcoming events (both Masonic and social) to the companions in your District, who are on-line. Grand Superintendents should encourage Chapters to use the web site to advertise events and generally to find out what is happening in this jurisdiction. We also require some (post event) pictures for the web site and display. Community awareness is still a work in progress with much more yet to be done. The crest and shirts discussed last year, will be looked at again later this year.

May I take this opportunity to thank the committee members for their commitment and support for Grand Chapter. We look forward to serving the Companions during the coming year.

Respectfully submitted by The Public Relations Committee: R.Ex.Comp. Roland Mandeville, Chairman; R.Ex.Comps. William Armstrong, Thomas Warner, Douglas McGillivray, Thomas King, Brian Vansickle, Donald Laycock, Wilbert Freeman, Douglas Stitt; V.Ex.Comp. John Richel.

Moved by the Grand Second Principal and seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

GRIEVANCES AND APPEALS COMMITTEE

To the Most Excellent and Grand First Principal, Officers and Members of The Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

Most Excellent Sir and Companions: This year your Committee has had to deal with two matters brought before it. The first was an appeal from a decision of the Grand First Principal to reject certain nominations for Grand Chapter Office on the basis that they had not been delivered in accordance with Section 18 of our present Constitution.

This appeal has generated a good deal of controversy within our Grand Jurisdiction and accordingly, I will attempt to summarize what occurred and what the committee's findings was. Section 18 of the Constitution requires that all nominations for Grand Office are to be sent by registered mail or hand delivered before a specified date. The application in question was sent by ordinary mail and was received well before the deadline for nominations.

This application along with a number of others which were not delivered in accordance with Section 18 were rejected by the Grand First Principal and not referred to the Committed of Scrutineers for further consideration.

Unbeknownst to the Grand First Principal further investigation after the appeal was received revealed that nominations in previous years not delivered in accordance with Section 18 had been accepted whether knowingly or unknowingly and passed on to the Committee of Scrutineers. It was the view of this committee after consideration that this created what in law is known as estoppel or in other words a course of conduct was adopted in the past which could be relied upon and cannot now be used to the detriment of the appellant. In other words the precedent had been set in the past. As well, when considering this it should be noted that Section 18 of the Constitution with the regards to the mode of delivery is a procedural rather than a substantive provision. Accordingly your committee reluctantly concluded that this appeal must succeed. The Committee however, has made recommendations that will hopefully rectify this situation so that it does not occur again. The Committee as well applauds the efforts of the Grand First Principal to enforce the constitutional provisions.

The second appeal has to do with a ruling by the Grand First Principal with regards to the content of a Chapter summons. It has been determined that this matter is really a difference of opinion between the Grand First Principal and the Chapter and not subject to review by this Committee. All of which is respectfully submitted on behalf of the Committee, myself, as Chairman R.Ex.Comp. David E Jacklin.

Moved by the Grand Second Principal, seconded by the Grand Third Principal that his report be received and approved for printing in the Proceedings. CARRIED.

DEPUTY GRAND MASTER'S REMARKS **R.W.Bro. Gary L Atkinson**

M.Ex.Comp. Richard J. Jackson, Past M.Ex.Comps., Grand Chapter Officers Present and Past, Distinguished Visitors, My Companions All:

In the name of the Most Worshipful, the Grand Lodge of Ancient Free and Accepted Masons of Canada, in the Province of Ontario, I "thank you" Rick, for your very warm welcome into this, your one hundred and forty-seventh Annual Convocation.

I would also like to express my appreciation for the escort into Grand Chapter, for the Grand honours given to me, and to you my Companions for the manner in which you have responded, in such an enthusiastic manner.

Although I have been a Royal Arch Mason for over twenty-three years, I must say I have never had the opportunity to attend Grand Chapter. This is indeed, a very personal and special occasion for me. On October 20th, 2004, our Grand Superintendent, along with many of the Grand Chapter Officers assembled here today journeyed to Petrolia, to preside over the ceremony that brought me to the rank of Past First Principal.

My Companions, I have had the good fortune, to have been blessed with many accolades and honours to date in my Masonic Career. I want you to know how pleased, honoured and humbled I was that evening, to receive that recognition and rank. It will be a night I will long remember.

This has been quite a day so far. I started my morning as a past Principal of Bruce Chapter this afternoon, in the absence of our Grand Master, I have assumed my position as Deputy Grand Master. This is probably the first time in my whole Masonic career, that I brought more clothes to an event such as this, than my wife did!

M.Ex.Comp. Jackson, to you, and all the Grand Chapter Officers, I hope you have a rewarding and educational convocation. Your work in Freemasonry, in Grand Chapter and across this great Province has not gone unnoticed. You continue to play a vital role in the Family of Freemasonry, and I for one, appreciate your endless support and positive encouragement.

My companions I would like to leave you with one thought The Great Lessons of Freemasonry, are not confined to the Lodge Chapter Room. A hand of assistance, a clasp of friendship, the desire to be helpful, the extension of little acts of courtesy, to all with whom we come in contact are part and parcel of our Masonic life and we are just as important in our schools, in our community, and in our place of business, as we are in our Lodge rooms.

Remember ... "Brotherhood is not confined to Masons alone, but to be effective ... it must be extended to all people".

Thank you.

REPORT OF THE COMMITTEE ON THE GRAND FIRST PRINCIPAL'S ADDRESS

To the Most Excellent the Grand First Principal, Officers and Members of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario:

Most Excellent Sir and Companions:

Your Committee on the Grand First Principal's address has had the opportunity to review that Address. We concur with his decision with respect to Past Rank for the three Companions, and other appointments that require the approval of Grand Chapter.

We are saddened to learn that two Chapters, Succoth Chapter No. 135 in Uxbridge and Kenogamisis Chapter No. 266 in Geraldton, both surrendered their Charters. However, four other Chapters were able to amalgamate with adjoining Chapters during the year. We noted that the Grand First Principal found it necessary to place Manitou Chapter No. 27. in Collingwood, under Trusteeship and has appointed a Grand Chapter Officer as Trustee to deal with internal problems.

Following a successful appeal relative to a ruling on the delivery of nomination papers, as set out in Section 18 (e) of the Constitution, the Grand First Principal ruled that all such nomination papers received were to be accepted.

The Grand First Principal, being concerned that a number of Chapters had lost their voting privileges, has changed the manner of returns being received at the Grand Chapter office. Since his ruling changes Sections 95 (d), and 98 (e) of the Constitution, therefore in accordance with Section 16 (d) (i) of the Constitution we are recommending that all of these rulings be referred to the Committee on Constitution, Laws and Jurisprudence.

The notification to Chapters as to what was missing from a return, is an administrative procedural matter and does not require a Constitutional amendment. We generally concur with the other comments of the Grand First Principal.

Your Committee congratulates the Grand First Principal on his outstanding leadership and contributions to this Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario.

All of which is respectfully submitted on behalf of the Committee, R.Ex.Comps. Norman E. Byrne, J. William Lidstone and David E. Jacklin.

Moved by the Grand Second Principal and seconded by the Grand Third Principal that this report be received and approved for printing in the proceedings. CARRIED.

COMPANION SCRIBE EZRA

DO NOT PRINT CIRCULATE OR ADVERTISE THE NAME OF ANY COMPANION BEING PROPOSED FOR OR SEEKING AN ELECTIVE OR APPOINTED OFFICE IN THIS GRAND CHAPTER. THIS INCLUDES THE OFFICE OF GRAND SUPERINTENDENT. REFER TO THE CONSTITUTION UNDER "NOMINATIONS".

The financial year of Constituent Chapters ends on December 31st and Scribes Ezra are to forward the Chapter's Per Capita dues and Returns to the Grand Scribe Ezra on or before July 31st and January 31st. Each Chapter will forward its Financial Returns, semi-annually, to the Grand Scribe Ezra on or before July 31st and January 31st in each year.

All Chapters **MUST** forward their Annual Returns to the Grand Scribe Ezra on or before January 31st of each year. Chapters failing to comply with the foregoing Regulations, shall be deprived of the privilege of voting at the next annual Grand Chapter Convocation. The Grand First Principal may, at his discretion, summon the Chapter to show cause why its Warrant should not be suspended until such time as the Dues are paid and the Annual Returns submitted.

Write the names of Companions, in full, plainly in the Returns, so that there may be no errors in completing the Grand Chapter Certificate. Also see that the age, occupation and place of residence are mentioned. Where deaths are included, the date of death as well as the Companion's rank should accompany the record, also state if a Continued Member.

Send a full list of the Officers of your Chapter immediately after Installation. Do not enter material on any form not requested. Use a separate sheet for other information you wish to convey to the Grand Scribe Ezra's office.
